# Summer Soccer Training

---

**Individual Training:** If you feel you would like individual or paired lessons in the Bradenton / Sarasota area these can be arranged at a time to suit you

The main emphasis of the training is simply to keep you in shape, keep your ball control up to standard and of course have fun!

However if you have any specific skills etc that you would like to work on before your team training starts, please contact me with your requirements.

Various locations: I am able to train at various indoor and out door locations around the Bradenton, Sarasota and Tarpon Springs Areas, again, please contact me for more details.

More information can be found on my website:

Please email or contact me ASAP to book a place

Training Sessions will be charged at \$50.00 per child or pair.  
Please make checks payable to J. Paul Fullylove.  
Insurance waivers must be signed by responsible adult.
